

# From the Principal's Plate November

October was a busy month at Roland School, students have dutifully brought in plastic bags for the bag up challenge, grade 6 choir girls attended Central Choral Workshop and we enjoyed a week with our Artist in the School Leah-Anne Kehler creating some amazing storytelling skills. Fall Festival activities were a hit and fun was had by all!

On October 21<sup>st</sup>, teachers across Manitoba participated in provincial wide Professional Development day. Teachers from Roland School attended sessions on Physical Education, Problem Solving in mathematics, the use of games in mathematics studies, integrating math through all subject areas including literacy. I know our teachers are excited to share the things they learned with their students.
